25X1 19. [] Met with Mr. John Sullivan, Administrative Assistant to Senator Daniel B. Brewster (D., Md.), and discussed with him S. 1035 which was co-sponsored by Senator Brewster. Mr. Sullivan advised that he would mention my visit to the Senator on his return to the city and will discuss the bill with him.

25X1 20. [] In corridor conversation with mutual friends, Jerry Kluttz of the WASHINGTON POST requested that I pass the name William Mitchell to our personnel office as the individual who had authored a study on pre-retirement counseling. He believed that he had misstated himself in earlier conversation and had indicated Victor Kriskow of OASI as the author of the study.

25X1 21. [] Jim Cline, Counsel, House Subcommittee on Immigration and Naturalization, called and requested representative information on how the employees of Radio Liberty and Radio Free Europe holding permanent residence visas first obtained entry into the United States. I will acquire this information and furnish it to Cline before the Subcommittee meets again on the Rodino bill on August 24.
